**Actuarial Award Committee
Department of Mathematics
University of Louisville
Louisville, KY 40292**

This award can be combined with institutional aid up to the University's total direct cost of attendance plus a stipend. Direct costs include tuition, room, board, and books. The University of Louisville is required to adhere to all federal, state, and institutional guidelines. If your aid package is adjusted as a result, you will receive notification in your university email. Policy information is available on-line at: www.louisville.edu/financialaid.
